

## TAKE & MAKE: 2000S BEDAZZLED PUMPKIN

### Supplies Included:

- Small white faux pumpkin (approximately 3"x3.3" in size)
- Sparkly green pipe cleaner
- Pumpkin leaf pattern
- 3"x3" piece of green felt
- Gems in various colors
- Aleene's tacky glue
- Toothpick (to apply glue to gems)

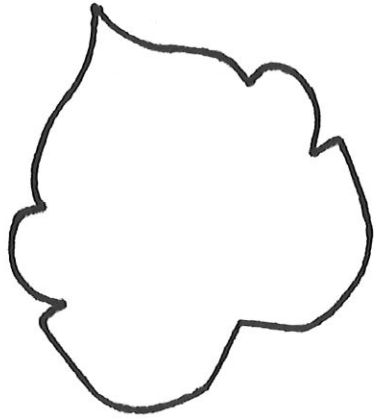

### Supplies Needed:

- Sharpie or marker (to trace pattern on felt)
- Pencil (to curl pipe cleaner)
- Scissors
- Tweezers (optional)

### Directions:

1. Trace the pumpkin leaf pattern onto the piece of green felt with a sharpie or marker.
2. Cut out the green felt leaf using a pair of sharp scissors.
3. Separate gems in shades of green from the other colors.
4. Use the toothpick to apply glue to the backs of the green gems and apply to one side of the felt leaf.
5. Set leaf aside and allow to dry.
6. Use the toothpick and glue to apply the rest of the colored gems to the white pumpkin.  
(\*Optional - Use tweezers to hold and apply the gems)
7. Wrap the pipe cleaner around a pencil to give it a curled shape resembling a pumpkin vine.
8. Once the leaf and pumpkin are dry, wrap one end of the pipe cleaner around the stem of the pumpkin to secure.
9. Glue the leaf at the base of the stem to complete this sparkly, bedazzled 2000s inspired pumpkin project.
